## ANNOUNCEMENTS

### NEW SERIES BEGINS TODAY: *GO FISH*

Fishing Stories. We've all heard them. People love to tell stories of their fishing adventures. When it comes to faith, however, people clam up. Why is it we can't talk about what Jesus has done in our lives as naturally as we can spin fishing tales? Join us for this 4-sermon series as we explore the motivation behind sharing your faith.

### GO DEEPER: *RELATIONAL INTELLIGENCE*, JANUARY 27TH, 6:45PM

Coinciding with the sermon series, you will have an opportunity to go deeper in *Relational Intelligence*, a 3-week Wednesday night study beginning January 27th at 6:45PM. Justin and Kyle will co-teach the sessions, which will help you build and leverage the relationships in your life to point people to Christ. Children's programming will be available.

**SMALL GROUPS:** If you are not currently in a small group but are interested, we will have a "Grouplink" informational meeting on January 27th at 7:30PM in the sanctuary to help people find a discussion group. If you are interested in leading a group, this would be a great time to begin a new one, as we anticipate new people looking to get plugged in.
